When the Devil Can’t Come

-Our dull and triply sedate Joe
got himself a girlfriend!

-Rebounder. In her version,
boyfriend threw her out
sans any evidence.

-She’s hot! And Spanish.
An exotic, then, Rebounder!

-Uh huh? Could work two ways.

1) “That bum threw me out, hey? I’ll show you,
Joseph, what a woman can do for a man!”

2) “Someone must pay for what he did to me!”

-I can’t watch!

-Leaning towards 2. When the Devil
can’t come himself, he sends a woman.
